MERRY CHRISTMAS

SATURDAY TO BE ANOTHER BIG DAY HERE

Third Cash Distribution Day in the City

BARGAINS OFFERED

Chamber of Commerce Sponsors This Trade Event

Next Saturday will witness the third cash distribution as planned by the Canyon Chamber of Commerce, in which more than sixty firms are co-operating.

It is expected that even a larger crowd will be in Canyon on Saturday of this week than came last Saturday.

The high school band played a concert at 2:30 o'clock, which was greatly appreciated.

J. H. Cox, Jr., president of the Chamber of Commerce, was in charge of the distribution last Saturday. He was assisted by R. E. Baird, L. T. Campbell and Lester Smith. Those who profited by the distribution were: Margie Wilkins, Clarence Beckman, Alice Clark, Chas. Chriswell, E. C. Penick, Inez Wesley, Mrs. C. A. Murray, Mrs. Owen Williams, and Mrs. R. Stewart.

Believe Relatives Located Man Found Dead by Railroad

Sheriff R. N. Barnett has received word from L. D. Borden of Winthrop, Ark., in which he expresses the opinion that the man found dead north of Canyon two weeks ago today is probably Oscar Odenwald of Billings, Okla.

Mr. Borden gave the names and addresses of a brother and sister of Odenwald, and it is likely that before the end of this week the mystery surrounding the man will be cleared up. Sheriff Barnett is seeking to get in touch with these relatives.

According to Borden, Odenwald was a single man in the habit of traveling over the country, although he owned property at Winthrop which Borden was looking after.

Golden Green Is Sole Owner After Sale From Pierce

Golden Green and Porter Pierce have dissolved partnership as owners of the P. & G. Grocery, with Mr. Green buying the stock of his partner. The deal was closed Friday.

This popular store was started two years ago, and has built up a good business in groceries.

Mr. Pierce has not announced his future plans.

The name of the store will be changed to Green's Grocery.

Topping Goodnight Trail Approved By the Federal Bureau

Approval for topping of the Goodnight Trail from Canyon to the Palo Duro State Park was officially taken Monday by the Bureau of Public Roads and announcement was made by the State Highway Department at Austin.

The Highway Department had previously stated to members of the commissioners court that this project was on the list to be recommended for work just as soon as the money was available.

As understood here, this present program is extra work which is being set up as a relief measure. The work of topping will not likely be attempted before April.

Practically all work has been completed on the caliche base, which has been sealed with a coating of dirt in order that this base would not deteriorate during the winter months.

Snow Fall Tuesday Brings .20 Moisture

North Plains Gets Much Larger Amount of Snow

Snow blanketed the North Panhandle counties Tuesday. The snow started to fall early in the morning and continued until nearly noon. Unfortunately the storm was accompanied by a high wind which drifted the snow badly, not giving the farmers the full benefit of the moisture in the wet snow. The moisture in Canyon amounted to .20 of an inch. The snow was much lighter here than to the north. According to reports the snow was practically twice the amount received here in all sections north of Amarillo.

The moisture in this snow will be of very great benefit to the wheat which was beginning to show the need of moisture. Farmers are hoping that more snow will be received in the immediate future.

The temperature reached 27 degrees above zero yesterday.

It lacked 7 degrees of being as cold as it has reached on three previous mornings.

MRS. SHARMAN'S FATHER DIED AT MINERAL WELLS

Mr. and Mrs. W. P. Sharman and sons were called to Mineral Wells two weeks ago by the death of Mrs. Sharman's father, D. H. Pace.

The Pace family formerly lived at Tulsa, where Mr. Pace was a very prominent citizen.

D. A. Shirley returned yesterday from Dallas where he represented W. T. in the athletic meeting.

Bargain Days on Subscriptions to End December 31

Subscription bargain days will come to a close on December 31st. Those who have not renewed their subscriptions to The News, and to the daily newspapers should take advantage of the offers being made now.

Special combination rates are offered by The News on the daily newspapers of this section. These attractive combination rates will continue until December 31st.

Canyon Men Hear Talk Made Thursday By Skinner

D. A. Skinner, secretary of the Chamber of Commerce of the United States, spoke Thursday night at a Panhandle meeting in Amarillo. He discussed conditions prevailing in the nation, and sounded a note of optimism. The nation is on the road to recovery was his statement which was heard with much interest by the large gathering.

Those attending from Canyon were: Dr. J. A. Hill, Wallace R. Clark, J. H. Cox, Jr., W. A. Warren, R. A. Terrill and Frank R. Phillips.

Widening No. 9 Thru City to Start Friday

Relief Project is Set Up For Work in the County

A large crew of men will start to work widening highway No. 9 through Canyon Friday morning. Work will start at the Santa Fe viaduct and the work will continue south to the Tierra Blanca creek.

The 18 foot pavement through Canyon will be widened to 50 feet. Caliche will be placed on both sides of the pavement, which will be topped with asphalt in the spring. Owing to the heavy traf-

fic on this road, the State Highway department set the widening of the road through Canyon as one of the most important relief measures in the county.

Following the widening through Canyon, considerable work will be done at the Tierra Blanca. The channel will be straightened west and east of the bridge, and the old dump grounds covered and converted into a parking place.

About 70 men are working daily from the relief rolls. Most of these men will go to this highway work tomorrow, although a few will be retained for the completion of the Goodnight Trail.

Former Canyon Citizen Dies of Severe Burns

Mrs. J. H. Hall of San Angelo, formerly of this city, was buried in Plainview Wednesday. She died in San Angelo as the result of severe burns received two weeks ago when she fell into the flames of a gas stove. She was recovering from a broken leg, and slipped while walking on her crutches.

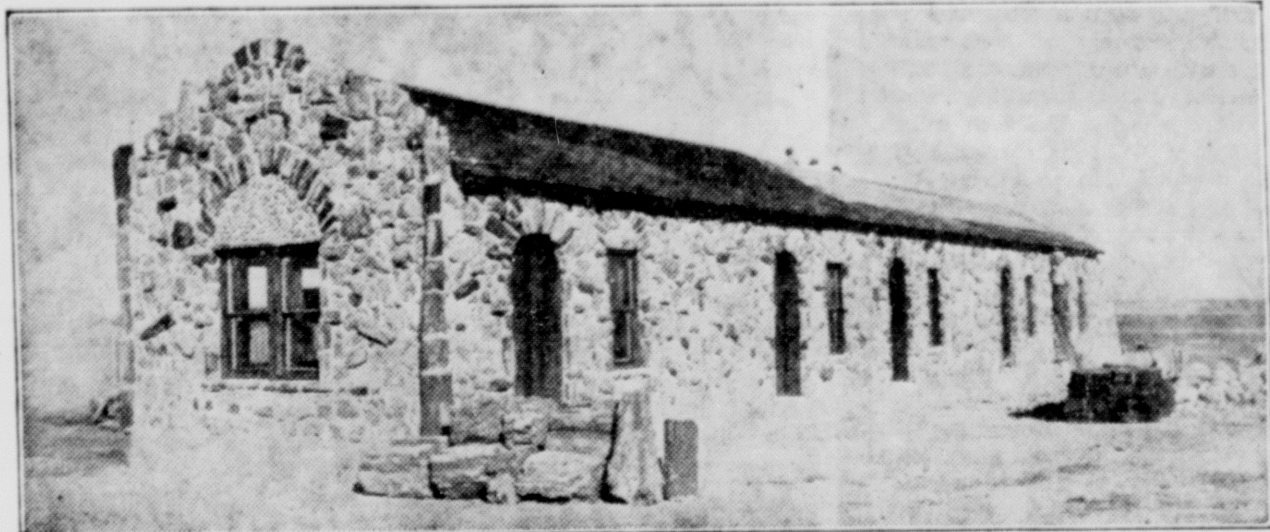

The Hall family lived in Canyon for several years, leaving here in 1912.

And When It Is Completed

Buffalo Court, the new boys' dormitory at West Texas State Teachers College in Canyon is rapidly nearing completion. The upper photo shows the exterior of one wing; the middle picture, one of the rooms, filled with its hand-made furniture; and the lower, a plan of the court as it will look when completed. The dormitory is in a U shape. In the center will be the Recreation Hall, a two-story building; and a court.

Cattle Buying Will Be Ended Next Week

All Must List Cattle During This Week With Agent

The cattle buying program in Randall county will come to a close next week, judging from the small number which have been offered for sale this week.

The storm of Tuesday brought in a larger number than was expected for this week, as various farmers were afraid of a storm during which they might not be able to feed their herds.

The buying crew will be in Deaf Smith county Friday and Saturday, but will be back in Randall county Monday to close up the buying by Thursday.

According to information from Washington the entire cattle buying program will come to a close at the end of December. It is believed that the herds of the drought afflicted territory have been sufficiently reduced so that the farmers and stockmen will be able to take care of the stock which they will have left on hand.

However, the final offer is made for those who have cattle to sell the government to list them at the office of County Agent W. H. Upchurch this week in order that the buying crew may inspect them the first four days of next week. This will probably be the last opportunity offered by the government to dispose of cattle.

Miss Emil Brewer and Vincent Lockhart are home from Columbia, Mo., where they are students in the School of Journalism of the University of Missouri. Both are former employees of The News. Miss Brewer was editor of The Prairie last year. She is secretary to Dean Martin of the School of Journalism.

Mrs. Lottie Williams will leave today for Oregon.

BUFFALO COURT UNIQUE AS ONE UNIT COMPLETE

Will House the Athletes Entered in Buff Squad

BAGGETT LEADS

Assisted by the Canyon Athletic Club in Work

A startling beautiful piece of architecture is rapidly being completed on the campus of the West Texas State Teachers College.

It is the new home of the Buffaloes—those sturdy youngsters who annually defend the college in football, basketball, baseball, and all intercollegiate sports.

It is unique in its structure—built of petrified wood, stalagmites and stalactites from the Carlsbad Cavern, blue flint from the Panhandle, native stone from the Palo Duro Canyon.

New Type

"A new type of architecture—definitely a Panhandle type," is the opinion of all who have seen the Buffalo Courts.

The idea of a dormitory for the boys taking part in the athletic program of the school started in a conversation between Al Baggett, coach, and C. H. Jarrett, president of the Canyon Athletic Club.

Centennial Coins Will Be Offered For Sale Saturday

Two Texas Centennial half dollars will be sold at auction Saturday afternoon at 2:45 o'clock, just preceding the cash distribution sponsored by the Canyon Chamber of Commerce. The half dollars will be sold to the highest bidders, the proceeds going toward the state historical building to be erected in Austin. The Palo Duro Post of the American Legion is sponsoring the sale in Canyon.

Prof. S. H. Condron will make a five minute talk upon the meaning of the Texas Centennial, following which Col. J. W. McCrery will sell the coins.

The buyers of the two coins will receive a certificate from the Legion.

The government has coined 1,500,000 of the new Texas fifty cent pieces in honor of the Centennial and these will be sold throughout the state at \$1.00 each for the purpose of building the museum.

It is of interest in Canyon to realize that the only museum building owned by the state is located on the campus of W. T. The proposal is now made to build a state wide museum at Austin.

FATHER OF G. B. HEATH DIED SUDDENLY

G. B. Heath was called to Big Spring Wednesday by the illness of his father, J. B. Heath, who died Thursday. The funeral services were held Friday at Colorado City.

Mr. Heath was well known to a number of Canyon citizens.

Cook Books Are Being Given as Christmas Gifts

Scores of women have been buying The Canyon News Cook Book as an appropriate Christmas gift for their friends.

The Cook Book has proven very popular in Randall county, and the supply is fast being taken up by those anxious to procure the tried recipes of the housewives of Randall county.

The Cook Books are only 25 cents each; 28 cents by mail. Or they will be given free with each subscription to The Canyon News.

TO FIGHT CRIME

The Federal government has recognized the terrible drain that crime is making on the resources of this nation, and President Roosevelt is taking the lead to fight this menace. It is hoped that the nation will follow him as confidently in this movement as it has in other reforms and experiments that he has started.

Crime costs the government more than all other phases of government put together.

The people are very largely responsible for this terrible waste. The average taxpayer will stand around on the streets cursing the officers for their failure to stop crime; yet that same complaining citizen will immediately show sympathy for the criminal the minute that the officers catch him.

The public must change its attitude toward crime. Law abiding citizens must take a decided stand against crime and the criminal. All citizens must stand by the officers who are bearing their breasts to the bullets of the criminal element, and are doing everything in their power to put an end to this terrible drain upon the resources of the nation.

It would be next to impossible to vote a bond issue in any community to build a new school owing to prevailing hard times; yet the same people who would oppose the creation of institutions to up-build the community will invariably sympathize with the forces of crime which tear down the community.

There is one thing sure and certain; that if this movement to suppress crime succeeds, citizens must get in firmly behind the officers in the program of enforcement; give the officers all necessary information to cause the arrest of law breakers; serve on grand juries and trial juries, with the view of protecting society, rather than extending pity to the criminal; refuse to go on the criminal's bond; refuse to sign

petitions for their pardon once they land in the penitentiary.

Unless the citizenship of America becomes conscious of the terrible drain being made upon its pocketbook by the 2% criminal element of this nation, the President will fail in his attempt to save the 98% law abiding element from this useless and unnecessary expense. The complete break down of the criminal laws of this nation is due to foolish sympathy extended to the criminals by those who pretend to be law abiding and law loving people.

The Texas senate has a committee studying the tax problem of the state. It is reported that the committee will advocate a sales tax in spite of the advanced threat from Governor-elect Allred that he will veto such a bill. The ad valorem tax system has fallen down, with more than \$200,000,000 in delinquencies regarding which no effort is being made to collect. No matter what you may think about the sales tax, all who know anything about the operations of the sales tax must admit that it is working in a most satisfactory manner in many other states; that it is getting the money needed to run the states' business; that it is an equal and fair tax upon those who buy; that it has proven the man with the large income pays in just proportion to the man with the small income; that it is easily and quickly collected, with few evasions. A lot of talk was heard last year in Texas that it was a tax upon poverty. The best way to judge a tax is the results it obtains, and those states trying this form of tax will testify that they are completely satisfied with the results. Then why be so scared of it in Texas?

Opening the library free to all residents of Randall county is a splendid move. A sympathetic commissioner's court and city commission made this possible. While the revenues of the library will not be sufficiently large to rapidly build a large library, the beginning justifies the present small expenditure upon the part of the two governing bodies, and will lead to the demand for a much larger and better library when conditions are restored to a more pleasant economic aspect. The honor of starting the library goes to the women of the community. The library of the Woman's Book Club was given to the community as a start toward the county library. Since then the various women's clubs and organizations have worked hard to make this institution a great success. Every citizen of Randall county should work to make the library a success. Contributions of books, magazines and money will be needed to meet the growing demands of the scores of young people who visit and use the library daily.

Some of our readers think The News is opposed to the old age pension. They are badly mistaken, although we happen to be very much opposed to the \$200 per month plan. The government could not raise enough money to pay such a tax, besides it is foolish to think of giving that much money to people who do not need it. It is far more important to insure old age jobs than it is to give pensions. Men are never happy unless engaged in some useful work. Simply working to try to get rid of so much money every month is far from a profitable occupation. To insure every person a useful occupation so long as he is able to work, and then a modest pension when his days of usefulness are ended will be the happy solu-

BUILT-UP shoulders and form-fitting lines make Pattern 381 a very attractive slip. Made in crepe-de-chine, satin, or linen, it is shadow proof. Patterns are available in sizes 34 to 52; size 44 requires 3 3/4 yards of 39-inch fabric.

Almost as easy to make, wear, and launder is the morning frock indicated as Pattern 392. The long lines of the paneled vestee provide for this dress a slenderizing effect, and the simple skirt flares just enough for comfort in walking.

Patterns are sized 36 to 52. Printed percale, seersucker, or gingham is recommended. Size 44 uses 3 3/4 yards of 39-inch fabric and 1/2 yard contrast.

tion that seems to be back of the plan advised by the President.

Christmas will be with us again in four more days. Many people are perhaps wondering what they will have to rejoice over as the Christmas time comes again. For most folks conditions have not improved over those prevailing a year ago. But in many sections of the nation there is noted a decided change for the better. However, the fact that conditions have not become worse during the fall is a good indication that the bottom has been hit. Even the most pessimistic believe that a decided movement toward recovery will be seen during the coming year. This should be a sufficient reason for genuine rejoicing in Randall county and every other county in the nation.

The farm census will be taken in January. It will show the true condition of agriculture in the United States as compared with five years ago. It will give the administration something definite on which to formulate a recovery plan. No one need be surprised that many of the experiments tried the past two years by the President have been a failure, considering the rapidity with which they were put into action. But action was necessary in order to prevent something worse from happening. The best thought of the nation will be given to the agricultural recovery plan after this census, as real recovery must be based upon the product of the soil.

The President has taken a decided stand for taking the profit out of war. This is good news for those who would be called upon to pay the expense of war, and better news to parents who would be expected to contribute their sons and

even their daughters, to the horrors of war. Taking the profit out of wars will decrease the number of wars. While government ownership is a bad thing in a democracy, the ownership of all munition plants would go a long way toward solving the problems of war.

During the period of retrenchment many companies figured out that they could save postage by having their mail delivered by bus, trucks, messenger, etc. Uncle Sam has stepped up and collected thousands of dollars postage on such deliveries, claiming to have the exclusive right for delivery of all mail. It is a tough job when you try to beat Uncle Sam out of any money.

It is heartening to see some of the big business men come out of the storm cellars with the prediction that the worst has happened, and that 1935 should show an improvement. Even 80-million-Dawes believes that recovery will be on its way by June, 1935, and he sees no Santa Claus in evidence to help him out this time.

Our Customers and Friends:

Do you believe in Santa Claus?
We'll tell you why we do,
And how we know he's real and good,
'Cause Santa Claus is—YOU.

Each day all year our Santa Claus
The skies be gray or blue,
Comes bringing gifts our hearts to cheer,
OUR Santa Claus is—YOU.

A mailman's uniform he wears,
With coat and cap of blue,
We recognize him just the same,
OUR Santa Claus is—YOU.

Good things of life he brings to us,
Food, clothes and pleasures, too,
And friendships valued most of all,
OUR Santa Claus is—YOU.

There's just one thing we wish you now,
And hope our wish comes true,
That you may have throughout the year,
A Santa Claus like—YOU.

ELABORATE PROGRAM PLANNED TO CLIMAX QUEEN CONTEST

RECEPTION WILL BE HELD AFTERWARDS
BY COURT FOR THOSE PRESENT AT THE
CORONATION

The ascension of crown Princess Lucye of the House of Blair to the throne as Queen of West Texas State Teachers College will mark the most elaborate social function of the year. The ceremony will begin promptly at 8:15 o'clock Thursday evening in the Main Auditorium of the Administration Building. Her Highness will be attended by Duchess Elizabeth of the House of Jameson, Shamrock; Duchess Frankie of the House of Dodson, Lockney; Duchess Helen of the House of Martin, Groom; and Duchess Louise of the House of Gibson, Snyder. The ceremony will be planned and directed by the Pi Omegas. Winfred Lewis will be master of ceremonies.

The Crown Princess Lucye will be attired in a simple close fitting model of white satin with a train of the same material. Ornaments will be a rhinestone bracelet and rhinestone eardrops. She will wear silver sandals and will carry an arm bouquet. Her Highness will be escorted to the throne by Prince Charles of the House of Donnell, Canyon. He, as well as the other escorts, will wear a tuxedo with a white boutonniere.

Duchess Elizabeth will enter upon the arm of Noel Woodday, Shamrock. The Duchess will wear a gown of peach-colored satin cut along formal lines with a girdle of rhinestones. Her flowers will be of harmonizing colors.

Duchess Frankie will be dressed in pale blue angel-skin satin of simple fitted lines caught at the waist with an ankle length sash of the same material. In her hair she will wear a rhinestone clip; she will carry an arm bouquet. Her escort is to be James Compton, Portales, New Mexico.

Duchess Helen will wear a formal orchid satin model with silver sandals and rhinestone accessories. She will have an arm bouquet of contrasting flowers. Her escort probably will be Vernon Johnson, Childress.

Duchess Louise will wear a beautiful formal yellow satin decollete ornamented with rhinestone clips. She will wear platinum slippers and carry an arm bouquet of large yellow chrysanthemums. Her escort is to be Seymour Rusk.

The Queen will ascend to the black draped throne under colored spotlights and will be crowned by her escort, Charles Donnell.

Music during the entire ceremony will be rendered by a violin trio composed of Louise Shirley, Kenneth Hollis, and Vera Goodwin. Other artists who will appear on the program are: Herschel Coffee, Mrs. W. B. Stevenson, Amarillo, and a vocal trio of girls from Amarillo.

Immediately following the coronation, the Queen and her court will receive the people attending the coronation in the dining room of the Home Economics Department of the Administration Building. The reception hall will be decorated with floor baskets of autumn flowers.

New California 'Gold Rush'

Mecca of hundreds of western prospectors following rumors of a rich gold "strike," the ordinarily sleepy Mohave Desert near Los Angeles has become a hive of activity. The picture above shows a grinder-extractor at work crushing gold ore, which mixes with water and flows to a chute below, where fine particles of gold are extracted. Inset is George Holmes of Los Angeles, whose strike started the "boom." Holmes is reported to have sold a percentage of his holdings to South African interests for \$3,000,000.

GREETINGS

CHRISTMAS would be just like any other day in the year if it were not for kind thoughts and deeds—for cheery words spoken and efforts put forth to make others happy. This goob season, when gifts are given—when happy thoughts enter our minds, when we are filled with a spirit of gladness and a desire to give all these elements of the Yuletide heightened charm.

LIKEWISE our business would be just like any other business were it not for the hundred and one things, small and large, which help to make our business a pleasure to us and, we trust a source of satisfaction to our patrons. Aside from the business we have transacted during the year now drawing to a close, we list among the achievements accomplished the forming of new friendships and the strengthening of the ties which held our old "stand-bys." We find pleasure in going to particular pains to supply our patrons with courteous and efficient service in order that we may give complete satisfaction.

We wish you all the joy of the Christmas season.

Wayside Items

Tuesday, threatening, bad weather, spitting snow, and wind in the northwest. We have no room for complaint, have had some good weather.

W. I. Lane and J. M. McGehee of Gallegos, N. M., traveled 2600 miles in Texas and Oklahoma hunting grass for the latter's cattle; found none. Learned pumice, baled, worth \$17 per ton. Has about decided to sell his cattle—save his milk stock.

Wm. Crow and sister Mrs. Elba Chidester and little son Odell Jessie Chloé and Bryce Payne left early Sunday morning for Hutchinson, Kansas, to spend Christmas. Mrs. Bertha Payne, Wayside, and Edward Mahler, Happy were united in marriage Friday in Tulsa. They have our best wishes for a long and happy life. They will be at her home a few days, east of Wayside.

Mrs. D. L. Adams is up and about. We are glad to report.

Kenneth Knox has a severe case of inflammatory rheumatism; unable to walk at times.

Mrs. Clara McGehee and sons visited Miss Aline McGehee Monday at Salem school. She will return home next Saturday for the holidays.

We understand J. E. McGehee is suffering with a severe case of tonsillitis.

Work and Play Club met with Mrs. Merle McGehee last Thursday. Mrs. Irving SoRelle and Mrs. J. W. McCrery of Canyon were out, together with a goodly number of the club. They were delightfully entertained, and invited to return same night for a forty-two party.

But few attended the pie supper at the school house Friday night, held to defray expense of the Christmas tree next Monday night. A number not there have added to the sum, until there is a respectable sum on hand. However, not so much as heretofore.

Mrs. Bessie Lane had a severe case of ptomaine poison Saturday afternoon, caused from drinking tomato juice.

Mrs. Fannie Franklin and children, M. E. Counterman and family were visitors in the paternal Sluder home Sunday.

Mr. and Mrs. N. S. Daniel, Vigo Park visited Wayside Monday. They reported Mrs. Hub Rogers brought their sons a Christmas tree from Arizona.

Quite a few complaining of bad colds.

To the Sheriff or any Constable of Randall County—Greeting:

You are hereby commanded to summon N. O. Beckett by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not then in any newspaper published in the 47th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 47th Judicial District, to appear at the next regular term of the District Court of Randall County, to be held at the Court House thereof in Canyon, Texas, on the first Monday in January, A. D. 1935, the same being the 7th day of January, A. D. 1935, then and there to answer a petition filed in said Court on the 8th day of August, A. D. 1934, in a suit, numbered on the docket of said Court No. 1442, wherein Irene Jones Beckett is Plaintiff, and N. O. Beckett is Defendant, and said petition alleging as follows, to-wit:

That plaintiff has been a bona-fide inhabitant of the State of Texas for one year and a bona-fide inhabitant of Randall County, Texas, for six months next preceding the filing of her petition herein; that plaintiff and defendant were married about the 29th day of August 1927, and lived together until about the 24th day of March 1931, when without provocation the defendant left and permanently abandoned plaintiff since which time they have not lived together as husband and wife. Plaintiff alleges that during the time she and defendant lived together as husband and wife she was kind and affectionate, furnishing him a home most of the time with her parents, but defendant refused to provide for her and support her, that he lost interest in her and would go away for weeks at a time, would not work and earn a living for her, but forced her to live with her parents who practically supported both of them. That on the day and date aforesaid while she was in the hospital at Amarillo he left her and permanently abandoned her; that she had not lived with him, nor heard from him since. That there was born to plaintiff and defendant one child, a girl, Edith Joe Beckett, who is about four and one half years old, and plaintiff is able and willing to have the care and custody of said minor child; that further living together of plaintiff and defendant as husband and wife would be insupportable. Plaintiff prays for a decree of absolute divorce and custody of the minor child, Edith Joe Beckett. Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at office in Canyon, Texas, this 6th day of December, A. D. 1934.

IN THE WORLD OF SPORTS

Twenty Grand's "Comeback" . . . Dempsey's Pal "Angels" Potential Baer Threat . . . A Champ at Checkers

IN his private car, an aristocratic member of the equine family has been transported across the country to show the younger set how properly to pick 'em up and lay 'em down. We refer to Twenty Grand, turf sensation of a few years ago.

Mrs. Harry Payne Whitney has agreed to let her fair-haired horse aid in inaugurating the \$100,000 Inaugural Day Handicap at the new and magnificent Santa Anita, Calif. track.

Twenty Grand, who earned some 300 grand in his halcyon days, will have little reason to curl a contemptuous lip at his competitors at the track. He will find opposing him such illustrious nags as Equipoise, Cavalcade, Mr. Khayyam, Head Play, Mate, Fair eno, Fleam, Azucar, Ladysman, Pomposity, Gallant Sir, Kiskulus and Time Supply.

If Equipoise should break the tape first, the game little six-year-old will top the money-winning record of \$376,744 set by Sun Beau.

The opening of Santa Anita track, following California's recent enactment of laws legalizing racing—and betting—ends a 25-year horse-race famine for turf fanatics of the Golden State. Until now, they've had to cross the Mexican border to attend races.

The Santa Anita classic will bring together probably the most brilliant array of thoroughbreds ever assembled at one track for a race that will stir the imagination of all followers of the sport of kings.

IT'S rumored that Jack Dempsey is actively interested in a new heavyweight threat to Max Baer's crown, the contender in question being Bill Hoolahan, 23-year-old Irish-American from Gotham.

Strengthening the rumor is the fact that Jerry "The Greek" Lu-lavdis, pal and trainer of the Manassa Mauler, is said to have taken Hoolahan under his wing and is putting the youngster through a stiff training course. The rough edges in the kid's boxing, it is ventured, will later on be polished off by Dempsey himself.

Hoolahan is a protégé of Dr. Ralph Wagner, Hollywood millionaire and long-time friend of the Mauler.

to you? Probably not, but, anyway, he's reputed to be one of the best—if not the best—checker player in the world, barring not even your Uncle Ezra.

As a lad, Newell was inclined to be extremely inquisitive, and when stories of the nosey cat which met an untimely end failed to check his curiosity, the boy's dad kept Newell quiet by paying him to work out puzzles. In this way, he learned the value of concentration.

At 7, Banks astounded the

neighbors with his blindfold exhibitions of checker skill. He's now 47 years old, and has been displaying his talent publicly since he was 13.

At the Century of Progress last year, he set a world speed record of 140 simultaneous games in 145 minutes, winning 133 and drawing 7.

Banks, who will compete for the world's checker championship next spring in London, is also some shucks as a chess and billiard shark.

Twenty-Fourth: A deed from the Panhandle Improvement Co., a Corporation, to W. H. Neely, a single man, dated February 5, 1931 and recorded in Volume 63, Page 510 of the deed records of Randall County, Texas, which said deed recites the execution of vendor's Lien Notes, and a vendor's lien retained.

Twenty-Fifth: A transfer of vendor's lien note from the Panhandle Improvement Co., a Corporation, to D. H. Alexander, Deaf Smith County, Texas, dated February 6, 1931, and recorded in Volume 64, Page 131 of the deed records of Randall County, Texas.

Twenty-Sixth: A transfer of vendor's lien note from D. H. Alexander to S. J. Hott, dated July 31st, 1931, and recorded in Vol. 64, Page 525 of the Deed Records of Randall County, Texas.

Twenty-Seventh: A deed of trust from W. H. Neely to Alvin Hill, trustee for S. J. Hott, dated July 31, 1931, and recorded in Volume 22, Page 202 of the deed records of Randall County, Texas.

Twenty-Eighth: A deed from W. H. Neely to H. W. Neely dated January 8, 1932 and recorded in Volume 65, Page 551 of the deed records of Randall County, Texas.

Twenty-Ninth: The resignation of Alvin Hill as trustee dated June 8, 1932 and recorded in Volume 66, Page 458 of the deed records of Randall County, Texas.

Thirtieth: The appointment of Albert L. Randall as substitute trustee by S. J. Hott, dated June 7, 1932 and recorded in Volume 66, Page 459 of the deed records of Randall County, Texas.

Thirty-first: A trustee's deed from Albert L. Randall, trustee to S. J. Hott, dated July 5, 1932 and recorded in Volume 67, Page 66 of the deed records of Randall County, Texas.

Plaintiff further alleges that some question has arisen as to the

validity of sale of said property by the substitute trustee and the deed executed by Albert L. Randall, substitute trustee to S. J. Hott, which said deed is dated July 5, 1932 and recorded in Volume 67, Page 66 of the deed records of Randall County, Texas, by reason of some irregularity regarding the posting of the notices of said sale, and other irregularities connected with said sale. Plaintiff says that said sale was regularly made at the court house door of Randall County, Texas, in strict compliance with all of the terms of the deed of trust under which same was made after notice had been given as required by the provisions of said deed of trust of the time, place and terms and conditions of said sale that said property at said sale was bid in by the plaintiff, S. J. Hott, that said sale and the purchase by the plaintiff was in all things regular and strictly in accordance with and in compliance to the terms of the deed of trust herein referred to and under which sale was made.

Plaintiff alleges that by reason of the irregularity mentioned in connection with the sale of said property by the substitute trustee causes a cloud upon the title to plaintiff's property above described and this suit is brought for the purpose of removing the cloud from the title to said property.

Wherefore plaintiff prays that the defendants be cited in terms of the law to appear in answer to this petition and that, upon hearing, he have judgment removing any and all clouds from plaintiff's title to the above described land, for costs of suit, such other and further relief, general and special in law and in equity that he may show himself justly entitled.

Second Count

Plaintiff further represents to the court that on or about the 5th day of July, A. D. 1932, he was lawfully seized and possessed of the following described land and premises situated in Randall County, Texas, holding the same in fee simple by virtue of the chain of title presented in the first count of this petition, that the land and premises, known and described as Lots No. 2 and No. 5, Block No. 90 of the Mrs. M. D. Oliver-Eakle Addition to the City of Amarillo, Texas, said land being located in Randall County, Texas.

That on the day and year last aforesaid the defendant, W. H. Neely, his unknown heirs, his and their heirs and legal representatives, H. W. Neely, his unknown heirs, his and their heirs and legal representatives unlawfully entered upon said premises and ejected plaintiff therefrom and unlawfully withheld from him the title and possession of and to his damages, \$1,000, wherefore plaintiff prays judgment of the court that the defendants and each of them be cited to appear in answer to this petition that he have judgment for title and possession to the aforesaid land and premises above described and that a writ of restitution be issued for damages and costs of suit for such other and further relief, special and general, in law and in equity, that he may be justly entitled.

Third Count

And plaintiff further represents to the court that, if he be mistaken in counts one and two above, that he pleads as follows:

That on or about the 5th day of February, A. D. 1931, the defendant, W. H. Neely, made, executed and delivered to the Panhandle Improvement Company, one promissory vendor's lien note in the sum of \$900 due on or before six months after date bearing interest from date at the rate of 10% per annum until paid with all past due principal and interest to bear interest at the rate of 10% per annum until paid, said note executed by W. H. Neely and payable to the order of the Panhandle Improvement Company.

That said note provides for the usual 10% attorney fees on the amount of principal and interest then due in the event suit is brought on said note or same is placed in the hands of an attorney for collection whereby the defendant, W. H. Neely, became bound and liable to pay and promised to pay to the Panhandle Improvement Co. the said sum of money together with interest and attorney fees therein specified.

Said note was given as a part of the purchase money for Lots Nos. 2 and 5 in Block No. 90 of the Mrs. M. D. Oliver-Eakle Addition to Amarillo, in Randall Co., Texas, which the Panhandle Improvement Co. deeded to W. H. Neely on Feb. 5th, 1931 which deed is recorded in Vol. 63, Page 501 of the Deed Records of Randall County, Texas, in which it retained a vendor's Lien to secure the payment of said note. Plaintiff purchased said note in due course of trade before maturity and is now the owner and holder of said note and lien. That on July 31st, 1931 the defendant W. H. Neely renewed said note and lien by the execution of two notes one for \$943.75, and one for \$56.25, each due on or before one year after date, bearing interest at 10% from date until maturity, and providing for 10% attorneys fees, and as additional security executed a deed of trust in favor of plaintiff on said property to secure the payment of said notes; which said deed of trust is recorded in Vol. 22, page 202 of the deed of trust records of Randall County, Texas. That said notes are long past due and unpaid and defendants have refused to pay same or any part thereof to plaintiff's damages in the amount of principal, interest and attorney's fees. That plaintiff is the owner and holder of said notes and has placed them in the hands of W. J. Fleisher an attorney for collection and has contracted to pay him the 10% attorney's fees specified therein.

Plaintiff prays for citation by publication as the address and residence of said Defendants are unknown, for his debt, interest and attorney fees and cost of suit and for foreclosure of his lien and for sale of the property above described according to law and for general and special relief in law and in equity.

Herein fail not but have before said Court, at its next regular term this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Canyon, Texas, on this 6th day of December, A. D. 1935.

DELTA KAPPA GAMMA CLUB HAS CHRISTMAS PARTY

Yuletide was the theme of the Christmas party at Cousins Hall Monday evening, of Pi Chapter of Delta Kappa Gamma of Amarillo. Mrs. Agnes Smith and Miss Tennessee Malone greeted the guests at the door. Miss Hattie M. Anderson received the gifts for the Christmas tree.

The atmosphere was saturated with Christmas spirit, youpon berries, mistletoe and cascades of laurel indicated the season of the year. Guests were ushered into the living room by Miss Hellen Hickman, Mrs. T. B. McCarter, and Miss Mary E. Hudspeth. The Christmas tree made the centerpiece. It stood a bold sentinel over the twelve tables covered with Christmas covers and the first course in red and green. Each guest found her place card which was a candy Santa Claus with a pack on his back. A three course dinner was supervised by Miss Vera Crawford and served by Lois Kirby, Valley Harrell, Mary Graham, and Edna Graham, Jr.

At the close of the dinner the club was ushered into the entrance hall and the living room was immediately transformed into an auditorium. A beautiful Christmas program followed.

MRS. ED WEEKS ENTERTAINS SATURDAY

Saturday afternoon, Mrs. Ed Weeks entertained with a pre-Christmas party at her home on Eighth avenue. Bridge was the chosen diversion of the afternoon. The Christmas spirit was carried out in the decorations of the home and at the refreshment hour. High Score was awarded Mrs. Bailey McCormick, second high went to Mrs. H. R. Fulton. The traveling prize was also won by Mrs. Fulton.

At the conclusion of play refreshments were served to Mesdames Ralph Jones, Tom Lair, Regy Moon, Bailey McCormick, Albert Byars, J. B. Fowler, L. B. Hammond, Lavern Campbell, John Dickinson, H. R. Fulton, Jess Upchurch, Glen Costley, and the hostess.

PARK CLUB HOLDS MEETING

White King products were demonstrated at a special meeting of the Park Home Demonstration Club, Dec. 13, at the home of Mrs. Jake Moore. Sample boxes of White King Granulated soap, and sample bars of toilet soap and A-plus health soap were given each member and guest present. The demonstrator gave the chemical analysis of each product and the uses of each.

It was decided that each member or guest was to give twenty-five cents and the proceeds to go to the club. The proceeds amounted to \$5.00. There were sixteen members and four guests present. The guests present were Mrs. C. C. Moore, Mrs. N. R. Irby, Mrs. K. Thomas, and Mrs. Charley Thurman. Members present were Mrs. Ivan Pitt, Mrs. L. A. Pitt, Mrs. W. E. Bennett, Mrs. J. E. Park, Mrs. C. GARRISON H. D. CLUB MEETING

The Garrison Home Demonstration Club met Friday with Miss Pauline Griffiths. Eight members and five visitors were present.

The afternoon was spent in playing games, and in the exchange of Christmas gifts.

MISCELLANEOUS SHOWER FOR MRS. FRED CARTER TUESDAY

Miss Vera Edwards and Mrs. F. M. Munson delightfully entertained with a miscellaneous shower Tuesday evening, complimenting Mrs. Fred Carter of Le Fors, who before her recent marriage was Miss Edythe Pierce of this city. The shower was given at the home of the bride's parents, Mr. and Mrs. W. A. Pierce, 2201 Sixth avenue.

The Christmas motif was used in the decorations and in the refreshment course. Writing in the bride's book was a pleasant diversion of the evening.

Little Miss Wanda Jean Edwards appeared dressed in white wearing a Santa Claus mask and drawing a wagon filled with gifts for the bride. After the packages were untied Mrs. Carter expressed her thanks for the lovely gifts.

The guest list included Mesdames C. Shuman, L. Shuman, C. M. Dowlen, J. Wester, J. A. Edwards, Sr., J. A. Edwards, Jr., Berl Mayfield, I. C. Jenkins, C. O. Cooper, Golden Green, J. M. GARRISON H. D. CLUB MEETING

The Garrison Home Demonstration Club met Friday with Miss Pauline Griffiths. Eight members and five visitors were present.

The afternoon was spent in playing games, and in the exchange of Christmas gifts.

MR. AND MRS. A. K. GOODMAN HAVE GUESTS TUESDAY

The Tuesday Night Club had its Christmas party at the home of Mr. and Mrs. Goodman last Tuesday with a delightful bridge party ending with the exchange of gifts distributed from the tree.

The table appointments carried out the holiday motif with little hand made Christmas bells for tallies.

At a late hour a dessert course with miniature trees for plate favors was served to Mr. and Mrs. Andy Walsh, Mr. and Mrs. W. E. Miller, Mr. and Mrs. Aubrey Fox, Mr. and Mrs. J. Madison Daugherty, Mr. and Mrs. W. L. Pearson, Mr. and Mrs. R. O. Johns, Mr. and Mrs. Hud Prichard, Mr. and Mrs. Hubert W. Hartman, and Mr. and Mrs. Harry Wood.

EDGETOWN H. D. CLUB WITH MRS. CARL WESLEY

Mrs. Carl Wesley was hostess to the Edgetown H. D. Club Friday, December 14th.

There were thirteen members present, one visitor and one new member, Mrs. Buck Campbell.

Plans were made for a Christmas party and supper to be held at the home of Mrs. M. W. Gordy, Dec. 21st, at 7 p. m. Names were drawn for Christmas presents. New officers installed were: Mrs. J. W. Spencer, president; Mrs. W. T. Davis, vice president; Mrs. W. T. Smith, secretary-treasurer; Mrs. M. M. Morris, assistant secretary; Mrs. G. H. Hardman, reporter; Mrs. D. C. Phillips, parliamentarian; Mrs. W. B. Smith, council representative.

At the close of the business meeting the outgoing president, Mrs. G. H. Hardman, was presented with a nice present.

Refreshments of Christmas cake and hot chocolate were served.

COUSINS CLASS BREAKFAST AT REST COTTAGE

The Cousins Class of the Methodist Church met at Rest Cottage Sunday morning for a breakfast and Bible study. After a very enjoyable meal, the class read the first fourteen chapters of Matthew as a review of the fall Bible study.

Special invited guests were Mrs. Geraldine Green and Mrs. Elizabeth Fry Page. The following members attended: Martina Anderson, June Bieler, Jewell Faye Webb, Miss Mary Moss Richardson, Leona Lockhart, Fannie Gordon, Hester Gates, Lucy Blair, Clair Ruth Nichols, Florence Bransgrove, and Georgene Henson.

After the breakfast, the group went to Sunday School.

MISS HUDSPETH HOSTESS TO THE SPANISH CLUB

"The Pan-American Union," and "El Prestamo de la Difunta," were interesting discussions given by Lucy Blair and Floye Rowe at the meeting of the Spanish Club at the home of Miss Mary E. Hudspeth, Wednesday. Ralph Saunders sang several Spanish songs.

After plans for the Christmas tree for the Mexicans were made, delicious refreshments of sandwiches, salad, cocoa, butterballs and candy were served to Misses Lucy Blair, Betty Littleton, Dorothy Richerson, Mrs. B. T. Rucker, Floye Rowe, Margaret Perry, Edric Underwood, Myrtle Mae Scales, Agnes Charlton, and Messrs. Gerald Brown, A. B. Reese, Ralph Saunders, and the hostess, Miss Hudspeth.

REBEKAH'S HAVE CHRISTMAS PARTY AT MEETING

Tuesday night the Rebekah Lodge met in regular session and after the regular business was transacted gifts were distributed from the lighted Christmas tree. Names had been drawn at the previous meeting and gifts were exchanged in this way.

Articles for the lodge kitchen were also brought. Christmas candy was served to everyone present. Those attending were Mrs. Mary Weeks, Mrs. Lillian Tate, Mrs. Mildred Sullivan, Mrs. Dollie Taylor, Mrs. Minnie Laughery, Mrs. Maude Waggy, Mrs. Myrtle Stratton, Mrs. Patterson, Mrs. Lucy Brown, Mrs. Margaret Cole, Mrs. Winnie Londer, Mrs. Lena Cobb, Miss Tenie Thompson, Miss Columbia Redfeard, and Miss Mae Warren.

SURPRISE DINNER GIVEN GIRLS OF COUSINS HALL

A formal dinner was planned and prepared by Miss Crawford and her group of girl assistants at the Hall as a surprise to the occupants, Wednesday evening at six o'clock. The dinner was in keeping with Christmas and was served in five courses.

The tables were artistically decorated with several figures of Santa Claus in silver sleighs drawn by six silver reindeer. The place cards were silver fir trees. In the center of each of the four tables was placed a candelabra of lighted red tapers.

The girls sang Christmas carols between courses.

The best place to have glasses fitted is at Dr. Hyden's, Amarillo.

Reid Appreciates Co-Operation In Merger of Banks

Senator J. W. Reid, president of the First National Bank, expressed great appreciation Friday for the wonderful manner in which the people of the county were co-operating in the merger of the First State Bank with the First National Bank. The business of the First State was moved to the First National on Monday of last week, and the bulk of the deposits of the First State have been transferred to the First National by the end of the week. Senator Reid will be out of the city until the annual meeting of the stockholders on January 8th.

In completing the merger last week, R. H. Wright and Grady Oldham were elected to the board of directors of the First National Bank, and were named vice presidents of the institution. They will continue to look after the interests of the former customers of the First State as they have in the past, as well as close up the business affairs of the First State. It will take three months to complete the liquidation of the First State. Notices have been mailed to all depositors of the First State asking that they transfer their accounts as quickly as possible. When the liquidation of the First State is completed any money which remains on deposit will be sent to the state treasury at Austin, under the terms of the law.

The fixtures of the First State Bank are being moved to the First National Bank building. The State building will be vacated during the coming week, and will then be offered for lease by W. C. Black, cashier of the First National Bank, and administrator of the J. M. Black estate.

FERA Students Stand High on W. T. Honor Rolls

The scholarship of the FERA group of students of the West Texas State Teachers College has not been a disappointment to the committee that carefully selected every student-worker who is to receive pay from the Federal government this year, for this particular group made scholastic grades during the first split-semester of the school year much above the average of the entire student body.

Fourteen of the 91 FERA students of the college are from Canyon. They are: Ruth Burtz, Lee Christine Cousins, Robbie Foster, Ted Clark, Helen Heath, Hazel Kirby, Willie Irene Hurst, Margaret Meyer, Genevieve Simmons, Pollyanna Pitts, Rita Lee Platt, Nancy Strain, and Julia Stuart.

Christmas vacation for those attending W. T. begins next Friday night, December 21, and the doors of the college will not re-open until January 2, 1935, when the old students will reassemble to complete the first semester's work and be ready to enroll anew on January 30.

Duncan Thomas Gets Two Years For Burglary

Duncan Thomas plead guilty of burglary in Amarillo yesterday, and was assessed two years in the penitentiary. He is under a five years suspended sentence which will automatically be cancelled, making seven years for him to serve.

A grand jury indictment also faces Thomas for another burglary in Amarillo.

Senator and Mrs. J. W. Reid left Friday for Mineral Wells where Mrs. Reid will take medical treatments.

Formidable Team Potential Here

Competition For Starting Positions Are Spirited

In the second week of practice the West Texas Buffaloes basketballers are already beginning to shape up as a possible formidable team.

Competition for the starting positions is so spirited that Coach Baggett has found it impossible to cut his squad below 18 men.

Although six lettermen from last year's team are reporting, several members of last year's freshmen team and a few transfers are making them fight to maintain the edge which previous varsity competition has given them.

Sophs on Squad
John Walker, Ed McMinn, Ted Phillips, Willie Boedeker, Curtis Clement and Leonard Britt are the returning lettermen. Walker is the only senior among the veterans, while all the rest are juniors.

M. E. Cleavinger, Elbert Hyman, and Coy Palmer are squadmen from previous years making a bid for varsity letters this year.

Laurence Clark, Audell Kimmins, Joe Smith, Marvin Myers, Robert Bates and Jack Davis are the sophomores who are making determined bids for regular positions, and R. D. Wheelock, Vernon Johnson and Ray Vinyard are the transfer candidates.

Myers Is Tallest
A good average height is still contained in the Buffalo squad, although that extraordinary average that gained the Buffs the name of the "Tallest Team in America" is missing.

Marvin Myers, a sophomore of Munday represents the greatest height on the team with six feet, four and one-half inches. Myers was a member of the Freshman team last year.

Myers is followed close by two lettermen of last year, John Walker and Willie Boedeker, both measure six feet and four inches.

Few Six-Footers
McMinn and Davis are both six feet two and one-half inches tall, Leonard Britt is six, one and one-half, and Smith and Palmer are six, one.

Five men on the squad measure six feet even, four fall to five, eleven, and Ted Phillips is the baby of the squad with five feet, nine.

I Buy At Home

Because my interests are here. Because the community good enough for me to live in is good enough to buy in.

Because I believe in transacting business with my friends. Because I want to see the merchandise.

Because I want to get what I want when I pay for it. Because every dollar I spend at home works for the community in which I live.

Because the man I buy from stands back of the goods. Because here I live and here I hope to die.

Because the man I buy from pays his part of town, county and state taxes. Because the man I buy from helps support my school, my lodge, my church, my home.

Because when ill luck, misfortune or bereavement come, the man I buy from is here with his kindly greeting, his pocket-book, if need be.

I gess all uv ye remember how th' teacher picked on little Pee Wee Lowe fer nearly fallin' down when she tuk notices around ta the different rooms. Wal, would ya believe it—Jack Oldham went a prancin' in the Economics room an' jes fell flat as a flitter! Frum what I can hear, Pee Wee nearly killed herself laffin'.

If eny uv ye run frum Sarah Bonnie las week cuz she wuz coffin' an' ye tho't she hed th' hootin' cofft, wal, ya just waisted yer energy, cuz she jist got a little too much florine gas er sumpin in the Kemistry room.

I hed the swellest complement fer Horsecollar (thets Mary Ella Davis, not my horse) so I strutted up ta her 'n sez, "Horsecollar, I'll trade last complements with ya," an' she sez "O. K." Then she sez, "Wal, Cal, Billy Greenfield sed ya wuzn't a bit cute, but ya shore wuz a good ol' guy." Isn't that a swell complement? Frum now on I'm gonna trade lots uv 'em.

"DON'TS" TO USE IN LIBRARY

When a person obtains something new, he usually takes very good care of it. The Canyon High School Library has received a large number of new books. These books should be carefully handled by all who use them.

Here's a list of "Don'ts" that should be observed: Don't "dog-ear" the pages; don't lay the book down on its face when it is open; don't tear the covers, and above all, don't use the books when your hands or person is dirty.

Let us all co-operate and try to keep these books nice and readable for a long time.

ETIQUETTE

Q. When a man is walking with two ladies, should he walk between them?

A. No, a man should always walk next to the street.

Q. When you are being seated at a table, from which side of the chair should you be seated?

A. From the left side.

Q. When you are at a dinner, should you unfold your dinner napkin and spread it over your lap?

A. No, only unfold it half, and spread it over your lap.

ASSEMBLY TALK MADE BY DR. HOLCOMB TUES.

PASTOR OF FIRST BAPTIST
CHURCH, OKLAHOMA CITY,
COMPARES LIFE TO SPARK-
PLUG IN AIRPLANE MOTOR.

Dr. T. L. Holcomb, pastor of the First Baptist Church in Oklahoma City, spoke to the students of Canyon High School at 3 p. m., Tuesday, Dec. 11th.

His main point was dependability. He said that in the plane in which Lindbergh crossed the ocean there were 21 spark plugs, and during the trip 29 million contacts were made without a miss. Dr. Holcomb brought out that Lindbergh's life depended on their working properly. In comparison he expressed the fact that the future depends on the young people of today, and those who are interested in them are depending on them.

Dr. Holcomb showed the necessity of careful selection and good preparation of things concerning the future of the student's life. In speaking of the spark plug, he said, "If it's dirty, it won't work." His final comparison was a person's success depending on his cleanliness and preparation with the success of the spark plug's dependence on the same.

Grade Groups Plan Christmas Program

Each group of the grade school has drawn names and on Friday, Dec. 21, they will have their Christmas trees and the giving of gifts.

Most of the rooms are planning a small program for its individual group to be given Friday. Miss Singleton's first grade group has invited Mrs. Murrell's group to their program.

Each room of the grade school has been decorated with red and green roping hung with tinfoil strips. The trees in the rooms are also decorated very attractively.

The Christmas spirit welcomes the children to Miss McClanahan's room, while the jolly face of Santa welcomes the children to Mrs. Murrell's room.

In the grade school assembly Friday, December 21, the intermediate grades will sing Christmas carols to the others.

Freshman Class Has Christmas Party

The Freshman Class attended a party at the home of Mrs. A. W. Sternberg, Wednesday, Dec. 19, at 7:00 o'clock.

The pupils brought "White Elephants" for the Christmas Tree. Refreshments of cocoa and sandwiches and cookies were served. Mary Charlotte Word, Lucile Crowley and Billie Black served on the committee which planned the games that were played.

Mrs. Sternberg is the "class mother" for the freshman class.

CHLORINE EXPLODES

After studying phrases of war in English, Wednesday morning, 12 students who were also in the chemistry class were exposed to some of its horrors, when they made chlorine gas in the laboratory.

Eleven students made the experiment to find the properties of chlorine gas. While making the test for the properties of the gas, quantities of the gas were allowed to escape into the laboratory. Most of the tests were made between coughs and trips to the windows for breaths of air. All of the students were nursing sore lungs for several days after the experiment. Small portions of the gas remained in the laboratory for several days.

Mrs. Stella Murrell, Miss Ethel Murrell are planning to visit relatives in Martin, Tennessee, during the holidays.

Jack Neil Jennings, Kenneth Clayton and Wandell Johnson went to Amarillo Thursday afternoon to see the basketball game.

Miss Lois Goodrich was unable to teach classes Wednesday and Thursday because of illness.

Arnetta Kirkpatrick and Frances Gill will spend the holidays in Groom.

Students, Teachers Page Santa Early

"Do you believe in Santa Claus?" exclaim all Canyon High School students when this delicate question is put to them. Many are already speculating on what they should like better than anything else in the world to peek out the toe of their hose bright and early Christmas morning.

Mary Ella Davis is very practical in her desires; she would be perfectly brilliant if a geometry book with all exercises worked out and guaranteed to be correct with Miss Clark's standards would bulge out the toe of her sock.

"I want a fur coat, a V-8 roadster, and 20 Paris frocks," reports Ruby Post, "but since I can only have one thing I want more than anything else in the world, I'll take a bag of black jaw breakers."

One of our Fresh, Lillian Chambers, adoringly requests Old Santa to leave a life-size portrait of "Brer" Fox for the first thing she sees in the morning when she wakes up. Lillian, it is whispered, has been taking Freshman algebra.

Mary Ella Lowe reports that she doesn't ask a thing—just a good Christmas dinner and not a dish to wash afterwards.

Wesley Cox, the football hero and 1935 Captain, has got tired of looking at the same necktie on Coach Jones and desires the Saintly Nick to please, please give him a new one.

Kate Eileen Donnell, a sophomore, nightly prays, just before bed-time, for a suede jacket and a pair of boots.

Miss Lois Goodrich, English and journalism teacher, seizes the opportunity to wish for a piano, lessons, and time.

Mr. Aubrey Fox, science teacher, wants a new automobile to stick its bumper out the top of his sock, Christmas morning.

When cornered while running up and down the hall with a list of negligent students, Mr. John E. Pope, Principal, passionately asks for a bunch of "kids" who will never, never cut study hall.

But Mr. I. B. Carruth, beloved Superintendent, very cordially wishes that all students may have a BIG Christmas vacation and a Happy New Year!

Eaglettes Basketball Squad Loses Friday

The Eaglette Basketball squad lost 30 to 4 in their first tilt of the season against Littlefield at the Dimmitt invitation tournament last Friday.

The Canyon squad was greatly outclassed by their more experienced opponents. Several of the squad were playing their first game.

The Littlefield team was defeated 3 points by the Dimmitt Bobbies, winners of the tournament.

VISIT FARM

The first grade pupils, with their teacher, Miss Frances Singleton, visited the farm home of Mr. and Mrs. M. H. Rockwell, Thursday, December 13th.

The trip was planned in connection of their first book "At The Farm."

The Rockwells had two dogs on their farm which took most of the interest of the children.

Mrs. Rockwell directed the children in their journey about the farm.

After seeing the ponies, cows, chickens, ducks and other things about the farm, the children got a drink from the windmill. Each child was given a pansy to take home to his mother.

They then boarded the school bus for home. All the pupils expressed their desire to visit Mrs. Rockwell again this year.

KITCHENS VISITED

The Second Year Home Economics classes of Canyon High School visited some kitchens in Canyon homes, Wednesday, Dec. 12. On Friday, they visited Canyon Hardware, to see the kitchen equipment. On the morning of the 17th, the classes visited Thompson Hardware Co., to see various kinds and classes of china.

These visits were for the purpose of helping the girls in their new home planning unit of work.

The women whose kitchens were visited were Mrs. Hudson Prichard, Mrs. Joe Black, Mrs. G. G. Foster, and Mrs. J. M. Daugherty.

Bill Price and Sarah Bonnie Bourn plan to spend the Christmas holidays in Crosbyton.

Mary Ellen and Helen Hurst were hostesses at a Christmas party Saturday night.

Irene and Sarah Thompson will spend the holidays in Tulsa.

Miss Erin Gamble will visit in Floydada over the holidays.

Lawrence Fulton, a six-foot, five-inch center and an ex-squadman, is certainly working hard this season and will be rewarded for his efforts before the end of the present basketball year. Sorry to say (poor Fulton) that he will be unable to make the trips because of his unaccountably lengthy legs by not being able to get in his automobile.

The Eaglettes returned from Dimmitt last week-end where they participated in the girls' tourney. Playing Littlefield in their first game, they were defeated, and were automatically canceled from the tournament lists. All we can say girls, is to do better next time.

Mable Schmitz, three-year letter girl, and in all probability the captain of the '35 team, is perhaps the most outstanding player on the team, and is one of the best forwards in the district.

The Eagles will play another practice game this week with some Amarillo teams. These games are very instructive, and help to improve on the boys' technique and playing ability.

This being the last edition of The Eagle's Tale until after Christmas, you kid readers will not be bored for a few days at least!

Do You Read The Magazines? Why?

By Freida Lowrie

Are you reading the magazines in our library? Because if you're not, you're missing a treat!

Are you acquainted with the Scholastic, the Reader's Digest, the Golden Book, the Good Housekeeping, and the Literary Digest? If not, check one out of the library today and get ready for some enjoyment. And these are not all the good magazines that come to the library. There are several others that you will enjoy very much.

The Reader's Digest, the Golden Book, and the Good Housekeeping are all monthly magazines, while the Scholastic comes every two weeks, and the Literary Digest every week.

The English classes have been urged to get acquainted with the Reader's Digest and Scholastic, in particular. The Reader's Digest contains articles from other magazines and papers, condensed for your convenience. Thus, in a few minutes you may read an article which formerly occupied several magazine pages. In this way, the busy student, the business man or woman may keep up with the news with a very small outlay of his or her time. Why not try it yourself?

The Scholastic is another magazine with which every student should be familiar. It is known as the National High School Weekly and contains a large variety of material for the high school student. There is the English section, usually with a play or short story, book reviews, and a poetry corner. There is the Social Studies section, containing news of every sort, and its interpretation by world leaders. Last, but by no means least, there is the student section. The Student Forum in this department welcomes students' letters expressing their views and ideas on different subjects, and the Round Table publishes creative work by students all over the United States.

Why not become familiar with all these magazines? They're here for you, and you'll never be sorry if you take advantage of this opportunity to become acquainted with some of your country's best literature.

MUSEUM VISITED

Tuesday, Dec. 4th, the 4B group, with their sponsor, Mrs. Isabel Cousins, visited the museum in connection with their unit of study of Indians.

The Indian jewelry and rugs attracted the attention of the children to the extent that they are weaving rugs of their own that duplicate those they saw.

To all the group, except a very few, who travel to school by bus, the trip in the school bus was almost as great a treat as the excursion through the museum.

Mrs. J. L. Hammond accompanied the group.

"Do not be foolish humans, finding ourselves obsessed by some secret ambition, though sacrificing everything we possess to it, timidly attempt to hide it from the mocking eyes of the world with sarcasm until it is strong enough to withstand the sarcasm and cynicism which we ourselves have preached?"—Autobiography of Lorene Bessire.

Leigh Beeson, ex-student of '34, will visit his mother, Mrs. Ola Beeson, Christmas.

Dramatic Club Gives Play Thurs.

"Where But In America," was given in the Dramatics Club at their meeting, Thursday, Dec. 13th.

The characters were: Mrs. Esphenhayne, Billie Bee Flesher; Mr. Esphenhayne, Jack Oldham; and Hilda, a Swedish maid, Pay Plaster. The plot of the play was about a young American couple who were so particular that they couldn't eat a meal without a maid to serve it, but they hadn't enough money to buy a home and a car. Their maid's boy friend owned a car and was the contractor who built the homes like they wanted. The point in the story was, where but in America would such as this be true.

Eagle Cagers Play Yannigans Thurs.

Coach Cleveland Jones and his ten basketballers journeyed to Amarillo Thursday afternoon where they played a practice game with the Yannigans. The teams seemed to be evenly matched.

The Eagle second team played the Central High School team and managed to keep the big end of the score.

Jack Taylor and O. M. Solomon played first team forwards, with Hampton and Les Lisle, alternating.

Wesley Cox and Curtis Elliston started the games at guards with Kenneth Black and Willard Childers, alternating.

Thomas Harris started the game at center, and Lawrence Fulton did the jumping for the second team.

The first part of the current week will be spent in earnest practice, and will climax by another game with the same teams.

Parent-Teachers Meet December 20

The Parent-Teachers Association will meet in the Canyon High School auditorium, Thursday, Dec. 20th, at 7:30 o'clock.

The 6A and 6B will present a play entitled "When Christ Was Born." Miss Ruth Greenfield and Milton Sanders, sponsors of the classes, will direct the play.

"A Safety-First Christmas," a short play, will be presented by some of Miss Irene Angel's public speaking students.

Miss Ruth Lowrie will tell stories about Christmas, and a number of moving picture slides will be shown by Rev. Chas. L. Dickey.

AT CHRISTMAS TIME

When Christmas comes we're prone to think of some dear friend,
Because the year which we have lived is almost at an end;

We are thankful in the Yuletide days for every act and deed
There is not a thought that we can think nor a deed that we can do,
That will repay Him for His love and fellowship so true.

This is the time that we can think of sacrifice supreme;
It is the birthday of our Lord who came, man to redeem.

He came to earth, an humble child,
No place to lay his head;
There was no room within the inn,
His mother had no bed.

They did not think that the King of Kings had come to earth that day,
But the morning star was shining while he in the manger lay.

The wise men saw the wondrous star; they knew just what it meant;
They come to adore and worship him, and o'er his body bent.

And do you know what the angels said as blessings they bestowed:
"Peace on earth; good will toward men," these words immortal flowed.

—Sewell Cox.

TO DEBATE AT HEREFORD

The Canyon High School debate club met in the high school at seven o'clock, Monday night, Dec. 8. Robert Orton and Hal Gamble took the negative side of the debate question; while, Mickey Schmitz and Mary Ella Elowe debated the affirmative in a practice debate. The club plans to take two teams, one boys and one girls, to Hereford, Thursday night, Dec. 20th, to debate the Hereford teams.

One Day From A Principal's Life

Jumping out of bed on to a cold floor, the principal of the school begins his day's work.

Having eaten his breakfast, he makes a dash for the front door and reaches the steps of the building at 8 o'clock. Absentee and make-up slips lie discouragingly on top of his desk, and he must get them checked and out of the way before students come rushing in for more.

The telephone rings, and he grabs the receiver from the hook. "Please excuse my child from school today; I'm keeping him home for making D in English."

During the following two hours, he is teaching classes; then noon comes. He gulps his food down in order to get out on the play ground before the boys start a fight.

At one o'clock he teaches a class. The next hour he's back in the office making out schedules and make-up slips. When the three o'clock bell rings, he starts chasing down students who are to stay in. Two boys dodge around the corner of the building and in the side door. As he starts in at the front, one of them rushes past and out the front door.

After all the work is straightened up, he goes home to supper at 7 p. m., grades papers, and makes out class work. At eleven he climbs the stairs and jumps into bed from a cold floor.

This is not the story of a jack-in-the-box; it's only another day in the life of a principal.

Condon Speaks To Civics Class

S. H. Condon, instructor of government at the college, spoke to the civics class Friday afternoon.

County government was the subject of Mr. Condon's speech. He explained various phases of county government.

Mr. Condon said that county government was a headless affair, instructed by the state government, and that he thought it would be better to have a chairman as the head of each county. He also said he thought county government called for too many officials; fewer officials and better pay would improve county government.

Ex-Studes Donate Large Number Of Books To Library

Mr. and Mrs. Terry Mayben, ex-students of Canyon High School, donated a large number of books to the library, Dec. 17th.

The books were part of the former library of the late Dr. Sam Griffin, father of Mrs. Terry Mayben. The donation includes fiction, hygiene, essay and short story books. There are also two sets of reference books, "History of United States," Ridpath, and "Library of American Literature."

Polly Little will spend the holidays at her former home in Panhandle.

Mary Charlotte Word will visit in Amarillo during the holidays.

Pauline Harris was in Amarillo Saturday.

Katie Mae Burke spent the week-end with Sarah Bonnie Bourn.

FRESHMEN WIN FIRST GAME OF GIRLS TOURNEY

JUNIORS WIN OVER SOPHS BY 1 POINT WED; SENIORS ARE ELIMINATED BY SOPHS.

In the opening game of the girls' softball tournament, the freshmen, led by Captain Mary Horn, defeated the seniors by a decisive score of 18 to 7.

The seniors lacked in experience and knowledge of the game, for most of the girls had played very little before.

Gienna B. Eastwood was home run queen of the game, running in four runs for the frosh.

Closest Game

The closest game of the girls' tournament was played Wednesday between the juniors and sophomores when the juniors emerged with a one point lead, the final score standing 9 to 8.

The stars of the game were Myrtle Chitwood, junior catcher, who made five hits, four runs and no outs. The outstanding player for the sophs was Jean Slack who took the batting honors for the team. Lavena Watkins was also a sensation for the juniors, making four hits and three runs. Neva Lois Miller, playing first base, was one of the best players on the field for the sophomores.

Seniors Eliminated

The seniors were eliminated by their second loss Thursday to the sophomores.

The seniors were thrown to a disadvantage by being in town only three times to the sophs four.

The victory of this game puts the sophs in the line-up for the semi-finals.

Juniors in Finals

The juniors gained the right to play the winners of the freshman-sophomore game in the semi-finals by defeating the freshmen Monday, 4 to 3.

For the first two innings, the juniors were scoreless, while the frosh chalked up two of their three runs, but in the last two innings, the juniors made their four runs which gave them a one-point margin.

Mary Ella Davis, the juniors' captain made two of her team's scores, while Mary Horn, captain of the freshmen, made all of the frosh tallies.

At the time the paper went to press, the juniors were to play the winners of the freshman-sophomore tilt. The winner of this game will be declared the tournament victors.

Lavina Watkins broke the third finger of her left hand while playing in the junior-sophomore baseball game Wednesday.

Lorna Cone will visit in Floydada during the holidays.

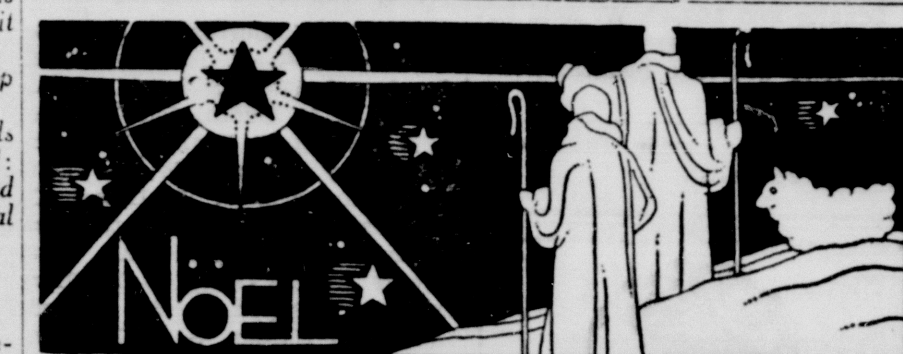

Wesley Cox will visit in Pampa during the holidays.

Louisa Fern Brian and Dora Mae Plaster, '34, will spend the holidays in Canadian.

Edith Steen will visit in Post during the holidays.

Anna Mayo Sharp will be at her home in Tulsa for the holidays.

Fifty Work Out For Wrestling, Boxing Teams

**Baggett and Jennings are
Very Enthusiastic
Over Prospects**

Approximately fifty boys are working out daily in one of the gyms under the direction of Coaches Al Baggett or Herschel Jennings for the boxing and wrestling teams.

Jennings has the wrestling team, and has several boys who are progressing rapidly. Clarence Wooten is the only member of last year's team who is reporting, but some of last year's freshmen look like possible winners. Leo Jackson and a freshman, Wyatt Batson, look like the class in the heavyweight division at present. Batson injured a shoulder last week, but will be in shape after the holidays.

Gardner Sanderson in the 178, Jack Jennings in the 168, Glenn Allen in the 138, and Ray Small in the 118, are all looking like veterans. Several others are learning fast, and Coach Jennings expressed a desire that anyone else who had ever wrestled any or had any desire to learn would report to him soon. Beginners are just as welcome as the experienced wrestlers, and a lot of fun as well as benefit is in store for those who report. Coach Baggett has charge of the

boxing, and he has three student assistants, Stina Cain, Clinton Meek, and Gerald Brown. All the assistants were winners in the intramural tournament last year. Brown is the only returning member of last year's team. He won the only title for West Texas last year in the Southwestern Intercollegiate Tournament when he defeated the featherweight title-holder.

As in the wrestling, beginners are urged to report at once, so they can benefit from the training and possibly represent the school in some of the meets. Besides the assistants, some of the leading contenders are Bill Allen, Red Holston, Brady McCoy, George Brasuel, D. V. Slack, Francis Elliston, and Toby Purcell.

No schedule has been arranged for the teams yet, but it will probably include several dual meets, the intramural tournament and wind up with the Southwestern Intercollegiate Tournament in the Spring.

W. T. S. T. C. Official Member Of Lone Star Conference

Full Conference Schedule Not Asked For

At the recent meeting of the Lone Star Conference in Dallas, West Texas State Teachers College was admitted as an official member of the conference. Because of the great distances between the different members of the conference and Canyon, Coach Baggett

and D. A. Shirley, Chairman of the Athletic Committee, agreed on behalf of West Texas that they would not ask for a full conference schedule or an awarding of a championship in football and basketball.

However the track, tennis, and golf representatives of West Texas will compete with full privileges for conference championships.

Members of the Lone Star Conference are the East Texas State Teachers College at Commerce, Southwest Texas State Teachers College at San Marcos, North Texas State Teachers College at Denton, Sam Houston State Teachers College at Huntsville, Stephen F. Austin State Teachers College at Nacogdoches, Trinity of Waco, and West Texas State Teachers College at Canyon.

Membership in the conference gives West Texas full eligibility protection, and all their athletic contests will be governed by the Lone Star Conference rules.

EPISCOPAL CHURCH

The beautiful Christmas Communion service, held at this church at midnight last Sunday night, was attended by over one hundred persons, who joined with reverent devotion in the singing of Christmas carols, and later in the Holy Communion, which was administered by Rev. Warwick Aiken, who also delivered a brief Christmas message, which was full of the spirit of the season.

The church was beautiful, with its white brocade silk and gold hangings, wreaths and altar flowers of glowing red, with green and gray background. This midnight service is an old and dear observance, and it was gratifying to have so many join with the regular congregation.

There will be no services in this church for the remaining Sundays of December, but they will be resumed January 6th, at eight o'clock in the evening.

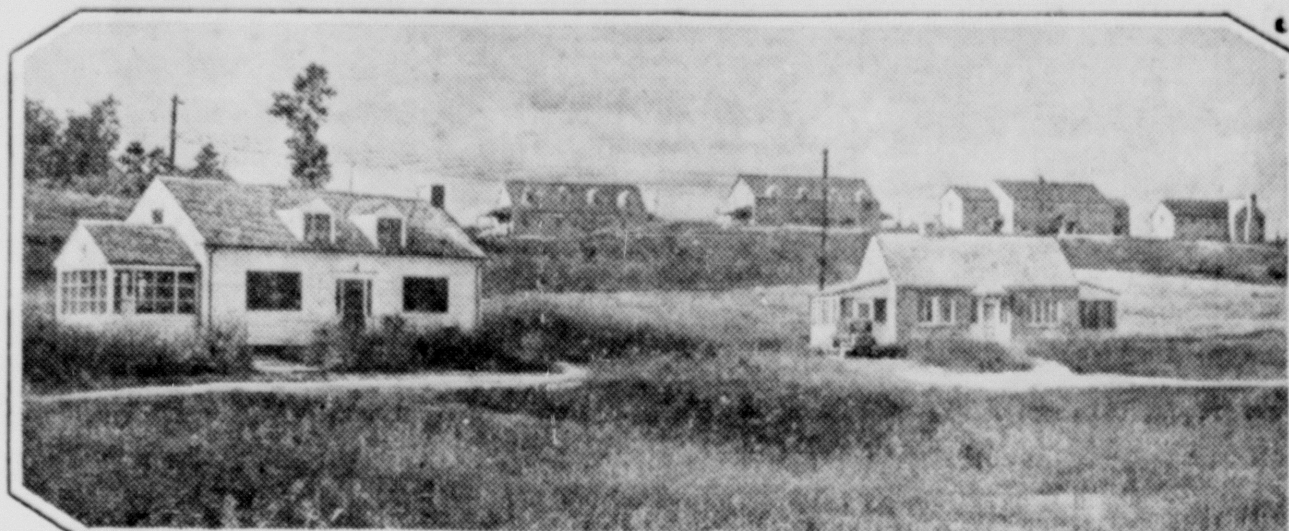

GREETINGS

Infant U. S. Communities Vie for Title Of 'World's Youngest Town'

Views of two of Uncle Sam's three "baby" towns are shown above. The scene at top shows the type of homes occupying the rugged plateau which is the site of Norris, Tenn. Below, the main street of Grand Coulee, Wash.

AS in America's earlier days, the magic wand of progress is still creating towns out of thin air. The nation's map-makers are busy charting three baby communities which thrive lustily where only trees or sagebrush grew until recent years.

One of Uncle Sam's progeny is Grand Coulee, Wash. This busy little fledgling of a town occupies what was lonely ranch land some 18 months ago. When the government launched the Grand Coulee dam project, by which the mighty Columbia was to be harnessed for power and irrigation purposes, the prospect of work drew men and their families from far and near.

Though a "boom" town, Grand Coulee is quiet and orderly, exhibiting none of the rowdy, wide-open, hell-bent characteristics of the 19th century variety.

The satanic work-finder for idle hands would have a hard time starting an employment agency in Grand Coulee. Everyone there is busy with the task of throwing a \$63,000,000 dam over the turbulent Columbia and of converting ranchland into a city.

Though it still resembles a frontier community, Grand Coulee has passed the stage of raw newness. It has practically every kind of known business establishment, including a \$25,000 theater; and the population is increasing in leaps and bounds.

IN the Tennessee Valley, another community challenges Grand Coulee's claim of being the world's "youngest town." This embryo city is so young that people haven't got around to christening it, though there's some talk of dubbing it "Wheeler, Ala."

Near the third-completed General Joe Wheeler Dam, part of the federal Tennessee Valley Authority project, this infant is squawling for a place on the country's maps.

PERHAPS the most modern and picturesque of Uncle Sam's mushroom towns is Norris, Tenn. Into the building of this community for workers at TVA's Norris Dam, the government has put the best housing and landscaping talent available.

The houses at Norris are not

laid out in the standardized, stereotyped fashion that characterizes the ordinary drab industrial community. Adapting sweeping, curved roadways and irregular home sites to the rugged nature of the plateau on which Norris has risen, and by varying the materials and design of the houses, incorporating into them new ideas modified by the tastes of the region's inhabitants, architects, engineers, contractors, and landscapers have combined their skill in the building of this model town.

Norris has many of the advantages of a small city. Completely electrified, it possesses a vocational school, where the mountaineers are trained in the skilled trades; a recreation hall and social center, where, after their day's work, Norris' 3000 inhabitants may relax and play; and a 14-acre park.

And future plans contemplate a public hall and administration building, a small hotel, more stores, public market, hospital, bus station and service garage and other features, as the need arises.

BASKETBALL SCHEDULE IS ANNOUNCED

First Games of Season
Will Be Played On
January 7, 8

Coach Baggett returned from the recent coaches' meeting in Dallas with 12 games on the West Texas varsity basketball schedule, and eight more tentatively arranged.

Arizona State Teachers College of Tempe opens the schedule for the Buffaloes in Canyon, Monday night, January 7 and Tuesday, January 8th.

Other home games on the schedule are series with Texas Tech, Central Teachers of Edmond, Sul Ross of Alpine, and some return engagements.

A total of 20 games is planned by Coach Baggett, and tentative games have been arranged with New Mexico Normal of Las Vegas, New Mexico Military of Roswell, Hardin-Simmons of Abilene, and the House of David team.

As the schedule now stands the following games are definite:

Jan. 7-8, Arizona State Teachers in Canyon.

Jan. 21-22, Texas Tech at Lubbock.

Jan. 25-26, Central Okla. Teachers in Canyon.

Feb. 1-2, Sul Ross in Canyon.

Feb. 18-19, Sul Ross at Alpine.

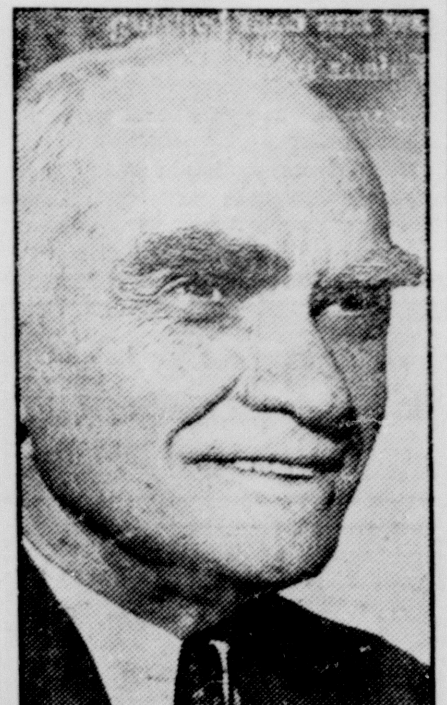

Feb. 25-26, Texas Tech in Canyon.

A definite announcement concerning the balance of the schedule will be made at the earliest moment.

The skeleton in the average closet is in the cellar.

When in Amarillo ask Dr. Hyden about your eyes. 38tf

Speakership His, Believes Byrns

Sufficient votes have been pledged to him to assure his election as speaker of the House of Representatives, Representative Joseph Byrns, above, of Tennessee, has announced. Byrns' principal opponent for the post is Representative Sam Rayburn of Texas.

SAYS SANTA—Make this a year of practical giving.

Training School Boys Sing Tues- day for Rotary

A group of more than 20 boys from the training school sang a number of songs Tuesday at the Rotary Club luncheon. Miss Ada V. Clark directed the organization. F. E. Savage was in charge of the program and stated that the boys' chorus was organized by Miss Clark in order to give every boy a chance to sing if he wished to join. The chorus is opened to all boys, and great interest is being taken by 40 who meet regularly for practice.

The birthdays of Albert Terry, Donald Trolinger, J. H. Cox, Jr., and Burt Newlin were observed.

No meeting of the club will be held next Tuesday, Christmas Day. The next meeting of the club will be on the night of January 1st, when the Rotary Annals will be entertained. The program will be in charge of Chas. L. Dickey. The arrangements committee consists of Irby Carruth, J. H. Cox, Jr., Harry A. Brown, Donald Trolinger and Wes Kleinschmidt.

Rev. J. O. Quattlebaum presented his resignation as a member of the club.

President Bob Jarrett reported on his visits to the Galveston and Atlanta Rotary Clubs.

Scofield Resigns As Concession Man At the Palo Duro

J. A. Scofield has resigned as manager of concessions at the Palo Duro State Park. He was appointed by D. E. Colp three months ago.

So far as known here no arrangements have been made by Mr. Colp to continue the operation of concessions through the winter. Several applications have been made for the place made vacant.

Museum Open Three Days Weekly, But Not on Christmas

During the Christmas holidays of W. T. the Museum will be opened on Sunday, Tuesday and Thursday afternoons, 2:00 to 6:00 o'clock.

The building will not be opened on Christmas Day, according to the statement of L. P. Sheffy, secretary of the Historical Society.

Buffalo Court

(Continued from first page)

program and the citizens of the Panhandle area in the boys.

"Let's build them a home," said Jarrett.

And they did.

The task seemed superhuman at first. There were no funds, but Chanslor Weymouth of Amarillo offered them some petrified wood from the deposits on his ranch; and Sam Sullenberger said they could have sand and crushed rock from his property near Canyon. R. A. Burnett and Bill Hayman gave plumbing and other building materials. Rep. H. K. Stanfield donated native rock.

Get Materials

That was a start. And Jarrett and Al went out to ask, beg or borrow materials for completion. They got them, a little at a time. And as they got materials, they built. And now the one wing of the building is standing, faced with colorful petrified wood.

The building is being constructed with student labor augmented with only one carpenter and one rock mason to direct the construction.

14-Foot Rooms

Buffalo Courts is to be a low, rambling ranch-like type of structure. When finished in a U formation, with 11 rooms extending along each side. In the mouth of the U the school is building a large recreational hall out of the same rock and petrified wood formations.

Each room is 14 feet square with the exceptions of the two corner rooms which will be 19 by 14 feet. There will be quarters for two boys in each room, four boys in the two large rooms, and a room in the recreational hall for two keepers, making accommodations for 50 boys in all.

Use Burned Pine

Each room will be furnished with double-deck bunks, all with new type springs and mattresses, a table, book stand, chest of drawers, dresser, and chairs finished in the same burned stain appearance as the woodwork of the house.

A closet of three by seven feet is in each room, and a bath of five by seven feet will connect each two rooms.

The interiors of the rooms are completed with burned pine. High rafters, and woodwork present a beauty quite out of keeping with the humble materials from which they are built. Plain white pine was burned with an acetylene torch, and the result is startling.

Ambitious Project

Dr. J. A. Hill, president of the college, offered to build the re-

creation hall if the athletic department could build the court. So within the U shape of the dormitories will stand the state-built hall.

Of itself the Recreation Hall is quite an ambitious project. The hall will be 50 feet square on the inside. In the front half of the first floor will be two pool tables, a ping pong table, and tables for dominoes and checkers. In the back half will be a large hand ball court, extending two stories high. In one end will be a large fireplace, decorated with formations from Carlsbad Cavern, and buffalo skulls. In the other end will be a room for the keepers and show-ers all ingeniously placed.

Built By Hand

On the second floor is found a different atmosphere. The front half will be a large lounge room, which will also be used on occasion as a reception room. There will be large rugs, lounge chairs, a radio, library, magazines for the comfort of the boys. In each end of the room will be a full fireplace, similar to the one on the lower floor. The plan has been arranged so that one can see down into the handball court from the second floor.

All furniture throughout the dormitory and recreation hall is hand made, built of the burned pine.

The surroundings of the Buffalo Court will be even more astonishing. For to the south will be a desert garden, filled with all varieties of cacti and with an occasional log of petrified wood lying about.

Plan Swimming Pool

Past the garden will be a swimming pool, faced, too, with petrified wood.

North of the building will be a circular drive, some 80 feet long, bordered with a low rock wall. Enclosed by the drive will be a sunken garden with a fountain in the center.

The whole plant is just east of the Buffalo Field. It is planned to enclose the field with a rock wall, and to face the present field house with the petrified wood, also.

Change Department

West Texas State Teachers College is undergoing a thorough transformation in the Physical Education Department with a program under the direction of Coach Baggett designed to create a wide-spread interest and activity reaching every student in the school.

Primary in the interest of sports fans just now is the varsity basketball. With six lettermen, and several other outstanding prospects, Coach Baggett will have a team

that will compare with any in the country.

Then there is the freshman basketball team under the direction of Coach Bob Cox. Thirty-six boys are on the freshman squad.

Jones Is Coach

Besides the two school squads there is a widespread interest in intramural basketball, and approximately one-fourth of the boys in school participate in the intramural tournament. Intramural activity is taking on a new importance, and correspondingly doing more service to the boys in school, since Intramural Director Mitchell Jones has been able to devote his entire time to intramural activities. Coach Cox has relieved Coach Jones of his duties as freshman basketball coach, leaving Jones free to work with the intramural athletics.

Outside of the competitive sports a majority of the students in the school are reached through a program which includes organized recreational games, elementary and advanced athletic and tap dancing, elementary and advanced swimming and lifesaving, golf, tennis, football, basketball, and track, coaching classes in the major sports elementary and advanced tumbling, health education, principles and practice of health and physical education, and athletic training and care of injuries.

Own Golf Course

A large crew of student workers are at work on the inside of the gymnasium, preparing for the coming basketball season. Excavations in one side of the gym were made and cement bleachers are to be built on top. Under the bleachers will be a regulation size handball court, and a large room for boxing and wrestling, with all the accessories.

Two croquet courts have been built and will have rock walls around them, with lights for night play. Five horseshoe courts have also been built, and several ping pong tables.

A nine hole golf course belongs to the school and the greens and fairways are to be renovated. Three concrete tennis courts are now in use and three more are to be constructed.

Interest Increases

Interest in boxing and wrestling is increasing at West Texas, and around 50 would-be pugilists and ear-twisters are working out daily for the dual meets and tournaments in which they will represent West Texas.

The present indoor swimming pool is to be repaired and an outdoor swimming pool is to be constructed, and in connection with it, a bowling alley, and two handball courts.

In the summertime stress is put on recreation and every Friday night a general Play Night is held. Last summer large crowds attended every play night and participated in the activities which included softball, service ball, volley ball, croquet, ping pong, horseshoes, basketball, and many other games. Approximately 1,200 summer students and towns people attended each play night.

Annual Rodeo

Another event which created a lot of interest and comment in the summer time is the rodeo which is to be made an annual affair.

In the athletic department there are Coaches Baggett and Cox, Gerald Brown, student manager, Travis Shaw, business manager; Herschel Jennings, wrestling coach; W. E. Lockhart, tennis coach; Frank Van Noy, golf coach; gymnastics coach and assistant football coach, Mitchell Jones; Stina Cain, Clinton Meek and Gerald Brown, student boxing assistants.

Student Workers

The Buffaloes are playing now under the Southwest Conference Commission and have applied for admission into both the Lone Star and Border conferences. The Lone Star conference includes all of the teachers colleges in Texas; and the Border, the leading schools in West Texas, New Mexico and Arizona.

The building of the Buffalo Court has been done mostly by students. The workers include:

Bill Allen, D. V. Biggers, George Brasuel, Stina Cain, Ezell Champlin, Laurence Clark, George Caviness, Jack Davis, Jimmie Holston, Emil Hutto, Lee Jackson, Vernon Johnson, John Lee, Edd McMinn, Clinton Meek, John Rankin, Cagle Teague, R. M. Thompson, Frank Van Noy, John Walker, R. D. Wheelock, Gerald Brown, James Baggett, Wyatt Batson, Henry Brotherton, Ray Cox, Grober Dennis, Francis Elliston, Bernie Graham, Oscar Hinger, Jack Jennings, Alvis Kennedy, Herbert McClellan, Ed Miller, Otis Moore, Floyd Murry, Tom Slack, H. D. Stewart, Joe Strubbling, Craig Walling, and George Wright.

Others who have assisted greatly, according to Coach Baggett, are Lorenzo Wirt, who installed the electric light; and Gene Whitman, who has assisted in hauling and locating petrified wood.

The members of the Canyon Athletic Club, who have furnished most of the cash used in the construction work are:

C. H. Jarrett, Chairman, R. E. Ball, Al Baggett, Bellah Grocery Company, M. S. Bishir, W. C. Black, H. A. Brown, Buffalo Gro-
